Another Quarter Savers™ Game from TopDown

SAVE THE UNIVERSE FROM THE INVADING YARKS!

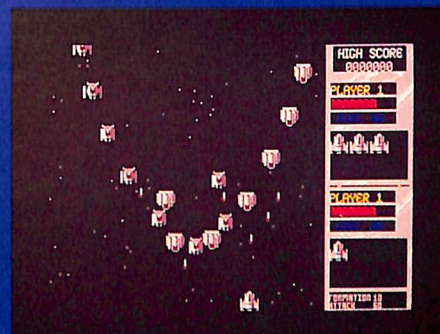

- 100 different levels
- 25 different opponent types
- the fastest animation **EVER!**
- super stereo sound
- incredibly addictive
- one or two players
- endless excitement as you battle the **YARKS!**

Yark attack fighters swoop in, as you pilot your Vyper fighter ship to avoid the sting of their deadly weapons.

The figure-eight formation is only one of 100 dazzlings levels. Yarks attack from multiple directions and twirl, twist, and move with such speed that even the most experienced Vyper pilot may become hypnotized by their movements.

Missiles home in on the Vyper fighter. You are one of the last remaining pilots capable of beating the overwhelming odds and becoming a galaxy hero!
